

Energy

Anti-Aging Daily Cream, organic:

HB-F05

50 ml

EAN: 0705632426029

- An innovative anti-aging formula with the strong antioxidant power of goji berry, chinpi (a Japanese citrus fruit) and green tea
- Suitable for each skin type, especially for mature and fatigue skin with reduced elasticity
- Developed by our science experts from high-quality organic argan oil, co-enzyme Q10 and natural extracts from goji berry, chinpi peels and green tea
- Particularly rich in essential fatty acids, vitamins, minerals, polyphenols and bioflavonoids (antioxidants)
- Especially effective against skin aging due to their strong antioxidant and nurturing properties
- Free of preservatives, mineral and silicone oils, parabens, PEG derivatives, and synthetic dyes and fragrances

 The highly effective combination of argan oil, plant extracts (from goji berry, peels of the Japanese citrus fruit chinpi that are rich in the bioflavonoids hesperidin and rutin, and green tea), co-enzyme Q10, D-Panthenole and natural vitamin E is a real vitamin and antioxidant power and perfect moisturizer for the aging, dry and challenged skin with elasticity loss and reduced nutrient supply. The natural oils and extracts in this formulation are particularly rich in omega 3 and 6 fatty acids, the vitamins A, B, C and E, polyphenols, bioflavonoids (especially hesperidin and rutin) and minerals (iron, calcium, magnesium, phosphor) and thus protect the skin from harmful environmental impacts and skin aging. The skin cell-like lipids included in the cream basis become integrated into the skin cell membrane and release these active compounds directly into the cells and the surrounding extracellular matrix. The effects of individual compounds in the **Energy** formulation have been proved in numerous scientific studies:

- ✓ Act stimulating and cell-revitalizing
- ✓ Protect the skin from premature aging
- ✓ The polyphenols and bioflavonoids in this formulation have a strong antioxidant action and are particularly effective against harmful free radical effects (peroxides and hyperoxides)
- ✓ Stimulate skin regeneration and reduce wrinkle formation
- ✓ Improve the skin structure and smoothen the skin
- ✓ Effective against skin redness and irritations
- ✓ Moisturizing, anti-inflammatory and wound healing-stimulating

Application

Apply **Energy Anti-Aging Daily Cream** daily onto the cleaned skin and massage with light circular movements. Avoid eye contact. The cream content of the Airless Spender System is best protected against microorganisms and environmental impacts due to the self-closing opening of the spender. Before first use of the Airless Spender System pump for several times to activate its function, i.e. until the first portion of cream appears on top of the spender opening.

For skin cleansing and care we recommend the natural facial fluid **Rose Fluid** or **Herbal Fluid** from **P.Glia**  **Health & Beauty Biomedical**.

INCI

Natural oils from Argania spinosa*, Cymbopogon martinii*, Citrus bergamia*, Citrus limonum*, Santalum album*, Extracts from Lycium chinense*, Aurantii nobilis pericarpium*, Camelia sinensis*; Aqua, Caprylic/Capric triglyceride°, Dehydroacetic acid**, Benzyl Alcohol**, Hydrogenated phosphatidylcholine°, Butyrospermum parkii butter°, Squalane°, Ceramide 3°, co-enzyme Q10, D-Panthenole, Tocopherol (natural vitamin E)

* organic, ** Ecocert certified, ° skin cell-like lipids

Precautions

Keep in a dry and cool place (5-25°C). For external use only. Not suitable for consumption. Keep out of the reach of children.

Stability: *Apply date of use on the provided sticker and paste it onto the bottom of the spender*
