*Anti-Acne Daily Cream, organic:*

50 ml

EAN: 0705632426104

- Highly effective facial cream formulation against acne and skin impurities designed by our experienced life scientists
- With valuable organic oils (jojoba, peach seed, tamanu, sea buckthorn and black cumin) rich in natural lipids and vitamins
- With green tea extract, an effective scavenger, and natural essential oils
- Strong antimicrobial, antiviral, antioxidant and anti-inflammatory action
- The action of individual components has been proved in numerous scientific studies
- Free of mineral and silicone oils, parabens, PEG derivatives, and synthetic dyes and fragrances
- 100% natural, vegan, produced with organic (bio-certified) oils
- In a handy, airtight spender for an optimal light and air protection and long-term effectiveness

\*\*\*\*\*  
 The highly effective combination of sea buckthorn, tamanu, black cumin, peach seed, jojoba and lemon oils, also present in **Pure Skin Anti-Acne Facial Oil**, has been especially developed as a facial cream and alternative day care for sensitive and impure skin. The soothing and clarifying action of these oils is additionally supported by green tea extract, an efficient scavenger. Due to its anti-inflammatory properties **Purity** is particularly suitable for application against acne, pimples and comedos, irritable and damaged skin. The natural oils in this formulation are rich in unsaturated fatty acids and possess high amounts of the vitamins B, C, D, E and K, flavonoids and fruit acid. The skin cell-like lipids included in the cream basis become integrated into the skin cell membrane and release these active compounds directly into the cells and the surrounding extracellular matrix. **Purity Anti-Acne Daily Cream** has, therefore, multiple effects on the skin:

- ✓ Effective against skin irritations (pimples, comedos, acne), psoriasis and infections
- ✓ Displays soothing, nurturing and relaxing effects
- ✓ Acts pain-relieving, anti-inflammatory, antibacterial, antifungal and antiviral
- ✓ Moisturizes the skin and improves the base-acid skin balance
- ✓ Support skin regeneration and acts cell-revitalizing
- ✓ Improves the skin structure, also of scars
- ✓ Protects from UV radiation-induced cellular stress and displays a strong antioxidant action

**Application**

Before first use of the Airless Spender System pump for several times to activate its function, i.e. until the first portion of cream appears on top of the spender opening. The cream content of the Airless Spender System is best protected against microorganisms and environmental impacts due to the self-closing opening of the spender. Apply 2-3 sprits of **Purity Anti-Acne Daily Cream** in the morning on your finger pads and massage into the cleaned skin with light circular movements. Avoid eye contact. As a day or night care the highly effective organic oil **Pure Skin Anti-Acne Facial Oil** can be used. For skin cleansing and care we recommend the natural facial fluid **Herbal Fluid** from **P.Glia**  **Health & Beauty Biomedical**.
