

Blessing

Pain Relieving Oil, organic:

H-01

30 ml

EAN: 0705632426234

- The natural pain killer against fascia and muscle tension, back pain and joint pain
- A highly effective formulation made out of pain-relieving and skin-nurturing organic plant oils
- Highly efficient also against fibrosis, rheumatism, arthritis, sciatic nerve pain, neuralgia, and skin inflammations
- Relieves immediately and in a natural way pain and painful tensions
- Nurtures, repairs and regenerates the skin due natural/skin-like lipids, fatty acids and vitamins
- Free of mineral and silicone oils, parabens, PEG derivatives, and synthetic dyes and fragrances
- Free of preservatives
- 100% natural, organic (bio-certified) natural products
- In a dark glass with a handy glass pipette

 This special formulation of our scientific experts owes its immediate pain-relieving action the highly effective combination of organic healing oils (coconut, jojoba, St John's wort, spearmint, wintergreen and camphor, natural vitamin E). It's a blessing against any kind of fascia and muscle tension, back pain, nerve and joint pain (rheumatism, arthritis). The biomedical concept of **Blessing** sets directly on the properties of selected plant oils possessing anticonvulsant, anti-inflammatory and nurturing active compounds: tanning and bitter agents, enzymes, flavonoids, pro-anthocyanidines, tannins, methyl salicylate, valerian acid, hyperforin, natural/skin cell-like lipids, saturated fatty acids (palmitine, laurine, capryl, caprin, stearine and myristine acid), vitamins (A, B, D, E), minerals and trace elements (magnesium, calcium, potassium, copper, iron, phosphor). With its very good skin tolerance and healing cosmetic properties **Blessing** is, therefore, a blessing for anguished people:

- ✓ Applicable against muscle pain, fascia tension, stiffness, joint pain (rheumatism, arthritis), lumbago, sciatic nerve pain, tennis elbow, neuralgia, fibrosis, skin inflammations
- ✓ Acts warming, stimulatory and cramp-relieving
- ✓ Acts blood flow-stimulating, anti-inflammatory, pain-relieving and antiseptic due to the high content of menthol in spearmint oil, and methyl salicylate in wintergreen oil (could therefore be used for the treatment of nerve pain, fascia tension and sprain)
- ✓ Soothes, regenerates and revitalizes the skin
- ✓ Possesses a strong antioxidant and antimicrobial action due to the high amounts of laurine acid in coconut oil

Application

As necessary apply sparing amounts of **Blessing Pain Relieving Oil** onto the affected skin area and massage lightly. **Blessing** absorbs quickly into the skin and relieves pain immediately. The skin becomes at the same time soft and elastic.

Avoid eye contact!

After use wash your hands thoroughly with soap to avoid a possible contact of residual oil with your eyes.

INCI

Natural organic oils from Cocos nucifera, Hypericum perforatum, Helianthus annuus, Simmondsia chinensis, Mentha piperita, Gaultheria procumbens, Cinnamomum camphora, Tocopherol (natural vitamin E)

Precautions

For external use only. Not suitable for consumption. Avoid contact with the eyes and mucosa. Do not apply on open wounds and damaged skin. Do not tightly bind treated areas. Do not use in combination with hot-water bag. Do not apply more than three times a day. Do not use if redness and skin irritations occur. 48 hours before use apply one drop onto the skin of your forearm inner surface and do not proceed with product application if skin irritations occur. Always keep out of the reach of children.

Stability: *Apply date of use on the provided sticker and paste it onto the bottom of the flask*
