This intensively nurturing formula of avocado, jojoba, argan and sweet almond oil was especially developed for very dry and sensitive skin, and particularly for the skin of hands, shanks and feet. **Benefit B** support cell renewal in challenged skin and connective tissue metabolism due to the high portion of omega-3 and omega-6 fatty acids, natural/skin cell-like lipids and the vitamins A, B, D, E. Lemon oil and marjoram additionally stimulate blood circulation and have soothing and antibacterial effect on the skin. Because of the accurately selected natural constituents **Benefit B** has a multiple action on the skin:

- ✓ Stimulates skin and connective tissue regeneration
- ✓ Acts moisturizing and improves skin elasticity
- ✓ Protects the skin from drying-out and acts revitalizing due to an optimal nutrient supply
- ✓ Improves the tissue structure and makes the skin soft and elastic
- ✓ With a soothing and antibacterial action

Application

In the morning and in the evening apply sparing amounts of **Benefit B Nutritive Body Oil** onto the skin and massage by light, circular movements. Dependent on your skin needs, apply several oil drops on your hands several times a day until the skin becomes smooth and elastic. **Benefit B** absorbs quickly into the skin. Avoid eye contact.
